Mark Donaldson VC House is a living community for 74 seniors who require high care, low care, residential aged care including dementia or nursing home services. There is around-the-clock presence and influence of registered nurses and care assistants. The home is designed for people who need medical/rehabilitative and restorative care. The living spaces include wide halls, handrails and nurse centres. Residents live in single rooms with private ensuites, with some ‘couples’ rooms also available. Residents share community rooms for planned daily activities, socials and dining. Meals are prepared based on individual dietary needs.
