Lara Aged Care has been offering respite care, residential care and dementia specific care in a secure setting for 25 years. We are located in Dungog at the foot of the Barrington Tops with magnificent views from most rooms in the facility. We have a variety of communal areas where residents can enjoy activities or have a celebration with their family. We have a Registered Nurse on duty 24 hours per day and trained care staff to provide best practice care. Fresh and nutritious meals are cooked onsite and we have a commercial laundry as well as facilities for residents who wish to launder their own clothing. A variety of activities are offered and we also have a seniors kiosk with two computers so family not living in Dungog can still maintain regular contact.
