

RSL LIFECARE RESUMES FUNDRAISING FROM 10 MAY 2018

RSL LifeCare is delighted to announce that it will be resuming fundraising activities from the 10 May 2018.

On 3 May 2018 we received notification from the Office of Fair Trading that we meet the required conditions of the Charitable Fundraising Act 1991 and can recommence fundraising.

This reflects a major overhaul of our fundraising policies and systems. We wish to thank residents, families, volunteers and staff for their patience and support.

All inquiries around fundraising should be directed to Kerry Morris, Manager Fundraising and Events on 8978 4856. Regards,

CAROLYN KWOK
Transitional Chief Executive Officer
